Story Time (Turtle and Rabbit Story)

Once upon a time there was a Rabbit and Turtle
Then they planned to go for a race, so they
organized race.

Both of them started the race from starting point, The rabbit ran faster than turtle in race and the turtle puts full efforts in race.

After a while in a race the rabbit thinks in a way that turtle is not a competitor to rabbit and takes rest under the tree, on that time turtle crossed.

The turtle puts consistent efforts in a race and at the same time the rabbit comes to know that turtle in end line and turtle wins.

The moral of the story is that the rabbit thinks in a way like the turtle is not faster than rabbit and it felt lethargic because of that it takes rest in between the race, so that the rabbit loss a race but due to the consistent effort of turtleit pays for it and the rabbit had learned his lesson...!!
